National Specialty Underwriters Changes Property Facility

Bellevue, Washington - National Specialty Underwriters, Inc. implements new property facility. Safeco, already a carrier in National Specialty Underwriter's hospitality insurance programs, has increased its participation to write all of the property coverage for the hospitality programs. National Specialty Underwriters, Inc. offers specialized insurance to the hospitality industry. Coverages include: property, general liability, crime, boiler & machinery, workers' compensation, umbrella/excess, employment practices liability.

National Specialty Underwriters, Inc. is a leading property/casualty insurance program administrator offering specialized insurance to the hospitality industry. NSU's programs are available nationally and are distributed through retail brokers. NSU offers standard as well as specialty coverages.
