PRESS RELEASE

National Specialty Underwriters, Inc. (NSU) announced today that starting in April 06, NSU Healthcare offers a new program to meet the insurance needs of members of the National Association for Home Care & Hospice (NAHC). NSU has created an exclusive group program offering Professional & General liability insurance. Clients may also obtain coverage for Non-owned Auto, Employee Benefits Liability, and Products / Completed Operations.

The Program offers policy limits of \$1M per claim / \$3M an aggregate. Beneficial coverage features are included or available such as defense is outside the limit. NSU can also provide excess limits up to \$25M. Deductibles are available and range from \$0 to \$100,000. Minimum Premium is \$2500 and premium is non-auditable. Independent contractors, pharmacy and dental techs can be added to the coverage, and there is Stop gap in monopolistic workers comp states.

This Program was developed in collaboration with NAHC. It is available on Claims-Made or Occurrence basis. Prior Acts Coverage and Extended Tail Options are available. Sexual Abuse and Molestation are covered. Coverage is provided by an insurance company with an A (Excellent) XV rating from A.M. Best Company.

More information on H&H Pro and other products can be obtained by contacting NSU at 425-450-1090 or visiting their website at www.nsui.com <<http://www.nsui.com>>.
