NSU Healthcare Unveils Select Imaging: New Program for Medical Imaging Facilities

National Specialty Underwriters, Inc. (NSU), unveiled a new insurance program this week, SELECT IMAGING, designed especially for freestanding medical imaging facilities in the United States.

Sr. Vice President of NSU Healthcare, Leslie Miller, announced that the program, available exclusively through NSU, provides Claims Made Professional Liability coverage with policy limits up to \$1 million for each claim, and \$3 million in the aggregate. Additional coverage is available, including General Liability, Employee Benefits Liability, Sexual Abuse and Molestation (with separate limits), and Non-Owned Auto.

The product will be distributed through retail agents and brokers nationwide, with availability in all fifty states. It was designed specifically with the needs of the Imaging industry, with features including an "incident trigger", written consent –to-settle, defense for punitive damages, defense costs outside the indemnity limits, and more.

"We are delighted to be the sole distributor of this product.", said Ms. Miller. "It is underwritten by a carrier specializing in Professional Liability, with a Best's Rating of A(+) IX, which means superior financial strength and claims paying ability. By focusing on this class of business, we are able to arrange very competitive pricing combined with broad coverage. We have "0" deductible options, and only a \$2,500 minimum premium to participate. Because the program is processed by dedicated unit within NSU, our response time and service will be outstanding. Anyone interested should ask their agent or broker to submit an application to any of our branch offices. I would encourage them to visit our website at www.nsu.com; phone numbers are Bellevue, Washington 425-450-1090; Chicago, Illinois (312) 924-2822 , and Atlanta, Georgia (770) 618-2180 "

About National Specialty Underwriters, Inc.

National Specialty Underwriters, Inc. is a program administrator and niche wholesaler headquartered in Bellevue, Washington, with branch offices in Chicago and Atlanta, New York, and Boca Raton, offering cost effective insurance to targeted clientele, including the Hospitality and Healthcare industries, as well as wholesale placement of difficult Property and Casualty Excess risks.
