# WE HAVE THE MARKETS

Cat-exposed commercial property

**National Specialty Underwriters, Inc. (NSU)**  
 Property Division specializes in tough to place commercial properties, particularly those with catastrophic exposure to wind, flood and earthquake.

NSU PROPERTY can accommodate your clientele, from single locations to multi-state schedules. We have the ability to customize our property quotations to fit your clients' needs with a variety of deductible options and all types of construction considered.

- Close working relationships with over 30 admitted and non-admitted markets
- Competitively priced coverage for catastrophic exposure including wind, flood and quake
- Unique flood program designed to compete with the NFIP in all states
- Carriers are AM Best rated A- (Excellent) or better
